

**REMARKS**

The Examiner has asked the applicant to restrict the application to one of two sets of claims. Although applicant traverses the Examiners reasons for restriction, in order to move this application forward the applicant elects the second group of claims, as specified by the examiner. Specifically, applicant elects claim 3 – 6, and 12 – 17. And by this amendment has cancelled claims 1 and 11.

Further consideration of the remaining claims is respectfully requested.

Respectfully submitted,

Joseph Liberty, et al.
